

## **CAREERS; COMPANY PROFILE; Caveo gives laptop owners peace of mind**

*Boston Herald*; Boston, Mass.; Nov 27, 2000; CARA NISSMAN;

### **Abstract:**

*"With those laptops stolen from the government and a CEO having one stolen out of a conference room, security has become a hot topic," said Gail Greenwald, president of marketing.*

*Users can set a perimeter beyond which the laptop will "think" it's being stolen. The device will let out a warning signal, such as "Disarm me, I'm armed," to give the authorized ...*
